# ACTRA Student Travel Grants 2024

ACTRA is offering a limited number of travel grants for students to attend this year's Annual Scientific Meeting (ASM). Student travel grants are awarded to eligible students who apply and can demonstrate outstanding research efforts in the fields of toxicology, ecotoxicology, exposure science, new assessment methodologies and risk assessment. The travel grant consists of one free ASM registration (including dinner), economy return airfares, and accommodation for the duration of the ASM (to be organised by ACTRA). The successful candidates must present their research in an oral presentation at the ACTRA ASM, held in Canberra on 29<sup>th</sup> - 30<sup>th</sup> August 2024.

### Who is eligible?

Current full-time or part-time undergraduate or postgraduate students conducting original research in the fields of toxicology, ecotoxicology, exposure science, new assessment methodologies and risk assessment are eligible to apply. A current student is taken to mean a student who is enrolled in a relevant full-time or part-time course at the time of application to the student travel grant or is a recent graduate from their degree at the time of application. A recent graduate is taken to mean the relevant degree was successfully conferred within 12 months of application to the student travel grant.

### How to apply?

Submit an abstract, cover letter and student travel grant application form by the **26 May 2024** to the ACTRA ASM Conference Managers.

### Nominations Process

All submissions will be objectively reviewed and assessed by a pre-selected panel of ACTRA members. All candidates will be notified whether their submission has been successful or not by 31 May 2024.

### Successful Candidates

ACTRA ASM Conference Managers, in consultation with successful candidates outside of Canberra, will organise travel and accommodation for the student(s) to attend the ACTRA ASM. Successful candidates will be allocated a time to orally present their work at the ACTRA ASM. In addition to being presented with a certificate at the conference, the candidate's success will be publicised in ACTRA's "Risky Business" E-newsletter and on our LinkedIn homepage.

### Unsuccessful Candidates

Unsuccessful candidates will have the opportunity to submit their application as an abstract to the ASM. Please notify the ACTRA ASM Conference Managers upon submission.

**Application Deadline 26 May 2024**
